

PR182 'Clip & Clasp' Cross-Back Bib Apron

Description:

A beautifully styled apron with exquisite design features. Cross-back in its design, the apron straps are constructed in a self-coloured herringbone weave and are attached to the apron with clasps that hook through eyelets. The straps cross at the back and loop through eyelets at the waist and tie neatly at the back. The apron body has three large patch pockets with rivet details and a self-fabric cloth holder. There's also a smaller pen pocket. A cotton - recycled polyester canvas blend gives this 'Clip & Clasp' apron durability, shape and a soft hand feel.
